RATES REASONABLE.**AMONG THE CHURCHES****CHRISTIAN CHURCH.**

The attendance at the Bible school was good and the work encouraging. The superintendent reported satisfactory progress in the Home and Cradle Roll Department. The church services were largely attended on the part of both members and visitors and the spirit of gratitude and worship was helpful and consecrating. The sermon brought words of reconciliation to God. The choir gave some of the old familiar songs in perfect harmony with the message in the sermon. The offering to the work of the Lord was very commendable and showed willing and liberal hearts. The congregation is arranging for the Colored delegation that will attend the International Christian Missionary Convention that convenes in Kansas City, Mo., October 24. The opening session will be at the Church, Thursday night, October 25. The minister's subject Sunday, 11 a. m., will be, "Who and Where Are We Before Death?" and at 8 p. m., "Where Are We After Death?" The public is invited and asked to help the small congregation make a good showing in their National meeting.

ALLEN CHAPEL.

By Della H. Mosee.

Prof. Wm. H. Ferris, D. D., of New Haven, Conn., occupied the pulpit last Sunday morning. His scholarly sermon gave inspiration and encouragement. Following the sermon, Judge Ralph S. Latschaw, of the Criminal Court, made an eloquent address pertaining to the purchasing of Liberty Bonds. No doubt those who listened to his inspiring words made up their minds then and there to purchase a bond or bonds even if they had to pay a dollar down and a dollar a week to do so. In the absence of the pastor, Dr. L. J. Talton had charge of the evening service. He delivered an excellent sermon subject, "Extracts from the sermon on the Mount." Matthew 5-6-7 chapters. Many were the words of commendation expressed on all sides for the grand sermon delivered by Dr. Wm. H. Thomas and sten-

graphically reported by Miss Susie Re-colla Goodwin. A business meeting was held after class last Tuesday night. The Sunday School is progressing nicely. The Christian Endeavors are holding interesting sessions. All are invited to share our Church home.

SECOND BAPTIST CHURCH.

Last Sunday the auditorium was filled at both services. In the morning the pastor preached a grand sermon on "Training the Child." In the evening on "Where Shall I Spend Eternity?" The Mission Circle held a very interesting sermon last Friday afternoon at the home of Mrs. Frank Christian, 1518 Baltimore avenue. The Church gave Dr. Bacote \$101.46 to use on his vacation. The pastor, Mrs. Diamond and Miss Watson are delegates to the State Convention which is in session at Springfield this week. During the day there were four additions to the Church. One candidate received the ordinance of baptism. Next Sunday, October 21, in the morning services a representative of the Christian Convention, now in session here, will preach in this Church. In the evening services Bishop Jamison of the C. M. E. Church Conference, in session next week, will preach. Don't fail to hear these great sermons.

VINE STREET BAPTIST CHURCH.

All services were well attended. There were two additions. The funeral of Mr. Johnson, the nephew of Mrs. Sallie Burton was held Sunday, the pastor officiating. The Sunday school teachers' examination was postponed until Sunday, October 29. The Duffy's Prayer Bank will hold services Sunday at 5 a. m., October 29. Everybody is invited. The election of officers for the B. Y. P. U. was as follows: Miss C. S. Freeman, president; Mrs. H. Thomas, assistant; Miss Lucy Pator, treasurer; Miss Duncan, secretary; Mr. G. W. Taylor sold the election and installed the officers. We hope for them a successful year.

Y. M. C. A.

The afternoon meeting last Sunday was one of the best. Rev. Robinson made a very descriptive Y. M. C. A. talk and the men were highly pleased. About 100 men were present.

The lecture Monday evening by J.

Vance Lewis of Houston, Texas, was well attended and well received by the large audience. Attorney Lewis is a very enthusiastic race man.

The publicity campaign started by the "Y" last Sunday promises to be one of much value to the association. Rev. Bacote preached a very instructive sermon to his large congregation about the worth of the association to the community. The campaign will be continued throughout the month at all 15 different churches of the city.

LINCOLN HIGH SCHOOL HOME ECONOMICS AND HOME MILLINERY FOR HOUSEKEEPERS.

1. Beginning Monday, October 15, and each Monday thereafter from 3:00 to 4:30, under the direction of the Domestic Science Department of Lincoln High School, Mrs. Sarah P. Goss in charge, there will be conducted a "Housewives' Round Table." The purpose of this course is to study improved methods of Domestic Science with a view of applying them to the home. (Practical Demonstrations at each meeting). This course is open mainly to housekeepers. Only a limited number can be accommodated.

2. Beginning Tuesday afternoon, October 16th, and each Tuesday afternoon thereafter from 3:00 to 4:30, under the direction of the Domestic Art Department of the Lincoln High School, Miss Clara Lynden in charge, there will be conducted a class in "Home Millinery." The purpose of this class is to teach women who are housekeepers to make over hats wherever it is possible and to make, by their own hands, new hats economically.

Most verbal appeals fall down because people are indifferent to them. Inattention becomes a habit, in one ear and out the other. The very existence of the phrase proves the point. Visual impressions get there and stick.
